AUSTRALIAN  
SCIENCE  
TEACHERS  
ASSOCIATION

Professional Development Workshop Series in Earth and Environmental Science

## 2-PD Rocks (Rock Kit Teaching Pack) & Plate Tectonics

Thu 8 Dec 3:30pm-6:30pm

**School:** Nyngan High School, 19 Cobar St, Nyngan **Meeting Room:** sign in at front office

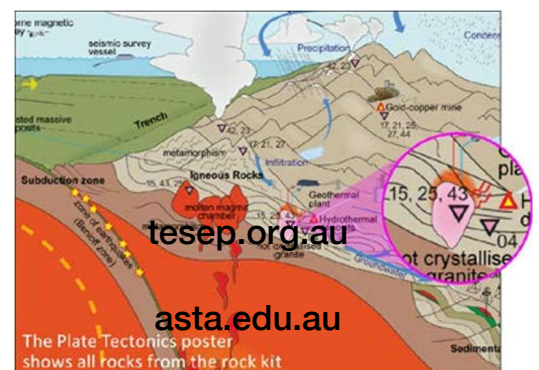

**Date:** Thu 16 February 2023, 3:30pm – 6:30pm **Rocks & Rock Stories** (& How to Use the TESEP Rock Kit 3D renders, virtual thin sections, Rock Stories, virtual fieldtrip exposures) & **Plate Tectonics**

**Event Facilitator:** Emma Partridge

**The RocksExpo experience includes–**

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – After-school professional development workshops for teachers (1- to 2-PD sessions @ \$25 per attendee for visiting teachers, FREE to host-school teachers).
3. **ASTA Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series
7. **Excursions** – possible trip to local field outcrops (dev a guide for teachers) - on request

**Presenters:** **Phil Gilmore** has expertise in geological mapping, the history of the Earth and minerals across Australia. His work in several states gives him many rock stories and samples to share.
