

Professional Development Workshop Series in Earth and Environmental Science

Earth-Expo 2-PD - Introducing Our Dynamic Planet: **Wed 22 May 2024**

Energy and the Energy Transition (all energy types compared, path to Net Zero), yr 9-12 focus (STEM/physics/chemistry crossover)

Riding the Climate Rollercoaster (climate through geologic time, plate tectonics/climate events in Earth's history/fossil extinctions) yr 9-12 biology/genetics/geography crossover

School: Yass High School, 39 Grampian St, Yass NSW

Meeting Room: attendees to go to the front desk to be directed to Meeting Room

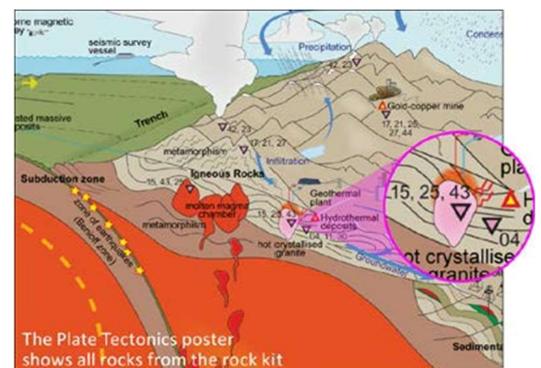

Date: Wednesday 22 May 2024, PDs 3:30pm-6:30pm

School Facilitator: Scott Anderson (afternoon tea will be provided)

The RocksExpo experience includes–

1. **PD workshops** – After-school professional development workshops for teachers (2-PD @ \$40 per attendee for visiting teachers, FREE to host-school teachers).
2. **Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
3. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
4. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
5. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series 2

Presenter: Phil Gilmore has expertise in geological mapping, the history of the Earth and minerals across Australia. His work in several states gives him many rock stories and samples to share.
